

# How to get to Kiel

## 1. Arrival by plane:

If you fly to Kiel, there are two possibilities:

**1a. – Hamburg International Airport** is only 85 km away from Kiel.

Schedules and detailed information are available on: [www.airport.de/en](http://www.airport.de/en)

From there it is only a 50 min. - 60min. trip by:

- - the shuttle taxi Kielexx: <http://www.vineta.net/airport/kielexx.php>
- - or by the airport bus “Kielius”:  
<http://www.bahn.de/autokraft/view/angebot/kielius/en-kielius-ueb.shtml>

In the case of the Kielis bus, we recommend you to get a “Kielius-Kombi-Karte” from the bus driver. With this ticket you can combine travelling by taxi and by Kielius. In this way, a taxi will wait for you at the bus station in Kiel and it will take you to your hotel. You can buy this as a “return” ticket, so the taxi will pick you up from the hotel too, when you go back to the airport.

**1b.- The smaller airport Hamburg/Lübeck** is also close to Kiel. Ryanair and Wizz Air offer flights to this airport.

More information at: [www.flughafen-luebeck.de/en/](http://www.flughafen-luebeck.de/en/)

## 2. Arrival by train:

Kiel can be easily reached by train. Train connections and schedules can be found on the website of the [“Deutsche Bahn”](http://www.bahn.de) (<http://www.bahn.de/i/view/GBR/en/index.shtml>). Usually you have to change trains in Hamburg Central Station although a few trains a day continue directly to Kiel.

From the train station you can take the bus lines 61, 62, 81 and 91 (Single ticket (“Einzelfahrkarte”) costs about € 2.40). The closest bus stop to the Workshop Venue is: Leibnizstraße
